This Settlement Agreement is made and entered into, subject to Court approval, this 16th day of August, 2023 on behalf of the Settlement Class (as defined below) and the Town of Fuquay-Varina, North Carolina (“the Town” as defined below) in *Gregory, Inc., individually and on behalf of all others similarly situated v. Town of Fuquay-Varina*, pending in the General Court of Justice, Superior Court Division, Wake County, North Carolina, Case Number 19 CVS 8602 (the “Class Action”),

WHEREAS, on June 24, 2019, Plaintiff, through the undersigned Class Counsel, commenced a putative class action lawsuit against the Town in the Superior Court of Wake County through the filing of an Application and Order Extending Time to File Complaint, and thereafter filed a Class Action Complaint on July 12, 2019, seeking relief under a cause of action for a declaration that the Town’s collection of water and sewer “acreage fees,” “capacity fees,” “impact fees,” and/or “system development fees” charged prior to July 1, 2018 were unlawful under *Quality Built Homes, Inc. v. City of Carthage*, 369 N.C. 15, 789 S.E.2d 454 (2016) and exceeded the Town’s authority under the Public Enterprise Statutes, N.C. Gen. Stat. §§ 160A-311, *et seq.*; and

WHEREAS, during the course of the litigation, Plaintiffs contend that through discovery they uncovered facts demonstrating that the Town’s “system development fees” (“SDFs”) charged on and after July 1, 2018 pursuant to the system development fee analysis of Third-Party Defendant Raftelis Financial Consultants, Inc. (“Raftelis”) dated April 5, 2018 (the “SDF Analysis”) violated the newly enacted “Public Water and Sewer System Development Fee Act,” N.C. Sess. Law § 2017-138, H.B. 436 (the “Act”) on several alleged grounds – and, as result, Plaintiffs contend that the Town unlawfully charged new development with unlawful SDFs on and after July 1, 2018; and

WHEREAS, on November 16, 2020, Plaintiff filed a Motion to Amend and Supplement the Complaint seeking leave of the Court to assert claims alleging that the Town's post-July 1, 2018 SDFs violate the Act, and an Amended Motion seeking the same on January 26, 2021. The Motion to Amend was allowed by Consent Order entered March 31, 2021, and the Amended and Supplemented Complaint (the "Amended Complaint") was filed that same date; and

WHEREAS, the Town's Answer to the Amended Complaint was filed on May 12, 2021 with the Town denying each one of the Plaintiffs' allegations of unlawful conduct and damages regarding the Post-July 1, 2018 SDFs, and the Town has asserted various legal and other affirmative defenses and filed a Third-Party Complaint against Raftelis and Raftelis analyst Elaine Vastis Conti (the "Third-Party Defendants") on June 28, 2021, alleging that if the SDF Analysis violated the Act, such alleged violations of the Act were proximately caused by the negligence of the Third-Party Defendants; and

WHEREAS, the Town filed a Motion to Dismiss and for Judgment on the Pleadings on May 22, 2022, and an Amended Motion on May 31, 2022, and

WHEREAS, the Town's Motion was heard before the Hon. Jeffrey B. Foster on July 18, 2022 and was granted in part and denied in part, leaving *inter alia* the majority of Plaintiff's claims including their claims for a refund of the SDFs intact, and

WHEREAS, the Town continued charging the subject SDFs pursuant to the Raftelis system development fee analysis through July 11, 2022; and

WHEREAS, after additional discovery and arms-length settlement negotiations between Counsel for the Settlement Class (as defined below) and the Town, including informal discussions and an all-day formal mediation session on May 26, 2023 conducted by certified mediator Patricia Holland, a Class Action Settlement Agreement was reached by and between

Plaintiffs Wiseman Plus, LLC and Wiseman Plus Dev. Co., LLC and the Settlement Class and the Town regarding all SDFs charged and collected by the Town from July 1, 2018 to July 11, 2022; and

WHEREAS, Counsel for the Settlement Class have thoroughly investigated the facts and claims of the remaining claims of this class action lawsuit and have concluded that it would be in the best interest of the Settlement Class to enter into this Settlement Agreement as it relates to SDFs paid to the Town from July 1, 2018 through July 11, 2022. Counsel for the Settlement Class consider the settlement as set forth below to be fair, reasonable, adequate, and in the best interests of the Settlement Class, subject to Court approval; and

WHEREAS, William G. Wright of Shipman & Wright, L.L.P.; James E. Scarbrough and John F. Scarbrough of Scarbrough & Scarbrough, PLLC; and James R. DeMay of Milberg Coleman Bryson Phillips Grossman, PLLC are fully authorized to enter into this Settlement Agreement on behalf of the Settlement Class; and
